Questions for the mind:

1 Samuel 21 Download Questions

Mind

What are two or three things David might have tried instead of hiding out with the Philistines?

Can you think of a time when our government appoints a new leader, but the old leader is still in charge for a while?

How can the Psalms with inscriptions help us understand the Old Testament history books and vice versa?

Heart

Where have you seen people at work or school lying to get out of something uncomfortable?

If you were afraid someone wanted to hurt you, what would God want you to do?

Will

In the past five years, what is one area where you have struggled to tell the truth?

Who or what has frightened you or made you uncomfortable recently, and who can pray with you about it?
